Endowment Matching Funds Challenge

The Great Plains Heisey Club Responds to the Challenge

Rex and Pat Lucke, members of GPHC, have challenged the club to raise at least \$7,500 for The Gordon and Darlene Cochran National Heisey Glass Museum Endowment Matching Funds Challenge. Rex and Pat will match dollar for dollar up to \$7,500 any money donated by Great Plains Heisey Club members by December 1, 2011 to the Cochran's Matching Funds Challenge. If GPHC members donate \$7,500 by December 1, the Lucke's will match it with \$7,500 for a total of \$15,000.

This would be really cool because that \$15,000 will then be matched by the Cochran's for a total donation to the Heisey Glass Museum Endowment Fund of \$30,000.

We've reached and exceeded our goal!
